International Society for
Cardiovascular Disease Prevention

On behalf of The Board of Directors
of The International Society
for Cardiovascular Disease Prevention

I am very pleased and honored to present this plaque
to the

**Egyptian Society of Cardiology
Working Group on
Cardiovascular Disease Prevention**

for its excellent contribution in the field

We congratulate you on your forward endeavors
in the prevention and optimal management
of cardiovascular disease.

*"One ounce of early cardiovascular disease prevention
is better than pounds of late cure"*

Wishing you a very successful congress.
