

**CURRICULUM VITAE**

**Revised 9/2020**

**Name:** Nanette K. Wenger, M.D.

**Office Address:** Emory University  
School of Medicine  
49 Jesse Hill Jr. Drive  
Atlanta, GA 30303  
Telephone: (404) 616-4420  
Fax: (404) 616-3093

**E-mail Address:** nwenger@emory.edu

**Birth Date and Place:** 3 September 1930  
New York City, New York

**Current Titles and Affiliations:**

**a. Academic appointments:**

**1. Primary appointments:** Professor of Medicine (Cardiology)  
Emeritus  
Emory University School of  
Medicine

**2. Joint/secondary appointments:** Consultant, Emory Heart and  
Vascular Center  
Founding Consultant, Emory Women's  
Heart Center

**b. Clinical appointments:** Director, Cardiac Clinics  
Grady Memorial Hospital  
Director, Ambulatory  
Electrocardiographic Laboratory  
Grady Memorial Hospital

**Previous Academic and Professional Appointments:**

1959-present	Member Medical Staff, Grady Memorial Hospital (Internal Medicine/Cardiology)
1959-1962	Instructor in Medicine, Emory University School of Medicine and Emory University School of Dentistry
1960-present	Director, Cardiac Clinics, Grady Memorial Hospital
1962-1964	Associate in Medicine, Emory University School of Medicine, and Emory University School of Dentistry
1964-1968	Assistant Professor of Medicine, Emory University School of Medicine and Emory University School of Dentistry
1966-1990	Director, A Program for Cardiac Evaluation and Medical and Vocational Rehabilitation, Grady Memorial Hospital
1968-present	Director, Ambulatory Electrocardiographic Laboratory, Grady Memorial Hospital
1968-1971	Associate Professor of Medicine, Emory University School of Medicine
1971-2011	Professor of Medicine, Emory University School of Medicine

Nanette K. Wenger, M.D.

Curriculum Vitae

2011-	Professor of Medicine Emeritus, Emory University School of Medicine
1977-present	Member Medical Staff, Crawford W. Long Hospital (Consultant in Internal Medicine/Cardiology)
1988-1998	Member Medical Staff, Veterans Administration Medical Center
	(Consultant in Internal Medicine/Cardiology)
1998-2009	Chief of Cardiology, Grady Memorial Hospital

**Education:**

1951	BA	Hunter College, New York summa cum laude
1954	MD	Harvard Medical School

**Postgraduate Training:**

1954-55	Intern	Mount Sinai Hospital, New York, NY
1955-56	Resident in Medicine	Mount Sinai Hospital, New York, NY
1956-57	Chief Resident in Cardiology	Mount Sinai Hospital, New York, NY
1958	Senior Assistant Resident in Medicine	Grady Memorial Hospital, Emory University School of Medicine
		Atlanta, GA
1958-59	Fellow in Cardiology	Emory University School of Medicine, Grady Memorial Hospital, Atlanta, GA

**Committee Memberships and Officer Positions:**

**a. National and International:**

Heart	1969-75	Rehabilitation Committee, Inter-Society Commission for Disease Resources
	1973-93	Co-Chairman, A National Plan for Cardiac Rehabilitation Committee, Division of Vocational Rehabilitation, Social & Rehabilitation Services, Department of HEW
	1974-79	Consultant, National YMCA Cardiovascular Health Program
		U.S. Food and Drug Administration, Cardiovascular and Renal Drugs Advisory Committee
	1978-82	Committee Member
	1982-90	Committee Consultant
	1976-82	Consultant: National Jewish Welfare Board, Health, Physical Education and Recreation Scientific Advisory Committee
		American Medical Association
	1990-1995	Member, DATTA Panel of Medical Experts, The Diagnostic and Therapeutic Technology Assessment (DATTA) Program of the Council on Scientific Affairs
	1992	Invited Participant, National Leadership Conference

American College of Cardiology

	1979-80	Member, Annual Scientific Session Program Committee
	1982	Chairman, Press Liaison Committee, 31st Annual Scientific Session
	1982-85	Member, ACCEL Committee
	1982-2021	Member, ACCEL Editorial Board
	1983-86	Governor for Georgia
	1983-86	Member, Board of Governors
	1983-85	Member, Scientific Exhibits Awards Committee, Annual Scientific Session
	1984-86	Member, Nominating Committee
	1984-94	Representative, ACC, to Social Security Administration, DHHS Cardiovascular Panel to revise medical evaluation criteria for disability
	1985	Chairman, Scientific Exhibits Awards Committee, Annual Scientific Session
	1985-86	Member, Ad Hoc Task Force, Cardiac Rehabilitation Services
	1986	Chairman, Board of Governors Nominating Committee
	1986-present	Abstract Reviewer, Scientific Sessions Program Committee
	1986	Host Committee, Annual Scientific Sessions
	1986-89	Governor's Advisory Group, Georgia ACC Chapter
	1986	Chairman, Nominating Committee
	1987-89	Secretary
	1987-89	Member, Board of Trustees
	1988-89	Member, Annual Scientific Sessions Program Committee
	1988-90	Member, Awards Committee
	1989-90	Chair, Ad Hoc Task Force on Cardiac Rehabilitation: Recommendations for the Use of Cardiac Rehabilitation Services for Percutaneous Transluminal Coronary Angioplasty (PTCA) and Cardiac Valve Surgery Patients
Rehabilitation	1990-91	Chair, Ad Hoc Task Force on Cardiac Rehabilitation after Cardiac Transplantation
	1990-91	Member, Finance Committee, ACC Georgia Chapter
	1991	Representative, ACC, to Society for the Advancement of Women's Health Research meeting
	1991	Representative, ACC, to NHLBI Workshop on Heart Disease and Women
	1991-95	Member, Professional Education Committee, ACC Georgia Chapter
	2001-2002	Member, International Strategy Work Group
	2001-present	Member, ACCEL Committee
	2002-present	Member, ACCEL Editorial Board
	2003-2006	Member, Advocacy Committee representing the S Society of Geriatric Cardiology
	2004	Reviewer, ACC/AHA Task Force on Practice Guidelines for the Management of Patients with ST Segment Myocardial Infarction
	2004-2007	Member, American College of Cardiology (ACC)/ American Heart Association (AHA) Committee to Update Guidelines on the Management of Patients with Unstable Angina/Non-ST-Segment Elevation Myocardial Infarction
	2006	Member, Women in Cardiology Committee

Nanette K. Wenger, M.D.  
Curriculum Vitae

Reduction	2008	Member, ACC/Medscape Cardiovascular Risk Program
	2008	Reviewer, ACCF/ACG/AHA Clinical Consensus Document on Reducing the Gastrointestinal Risks of Antiplatelet Therapy and NSAID Use
	2008	ACC/AHA Peer Reviewer for Clinical Performance Measures for Adults with ST Elevation and Non-ST Elevation Myocardial Infarction
	2009-2012	Member, Women in Cardiology Council
	2009	Elected Master, American College of Cardiology (MACC)
	2009	Peer reviewer, NSTEMI/PCI Update document
	2010	Peer reviewer, ACCF/AHA/NHLBI 2009 Expert Concensus Document on Hypertension in the Elderly
	2009-2015	Member, Leadership Council, Council on Cardiovascular Care for Older Adults (CCCOA); Co-chair, International Program Working Group (CCCOA)
	2008-2010	Member, Writing Committee, 2010 ACCF/AHA Guideline for Assessment of Cardiovascular Risk in Asymptomatic Adults.
	2009-2011	Member, Writing Committee, 2010 Focused Update on the ACCF/AHA Guideline for the Management of Patients with Unstable Angina/Non-ST-Elevation Myocardial Infarction (UA/NSTEMI)
	2011	Peer Reviewer, ACCF/AHA/PCPI CAD/HTN Performance Measures Document
Update	2011-2012	Member, Writing Committee, 2012 ACCF/AHA Focused Update of the Guidelines for the Management of Patients with Unstable Angina/Non-ST-Elevation Myocardial Infarction (Updating the 2007 Guideline and Replacing the 2011 Focused Update)
	2011-2014	Vice-Chair, Writing Committee, 2013 Guidelines for the Management of Patients with Unstable Angina/Non-ST-Elevation Myocardial Infarction
	2012-2013	Abstract Reviewer, American College of Cardiology Annual Scientific Sessions, March 8-11, 2013, San Francisco, CA
	2013-2014	Member, Annual Scientific Sessions Program Committee, American College of Cardiology Annual Scientific Sessions, March 29-31, 2014, Washington, DC
	2013	Abstract Reviewer, Session Chair, ACC.14 Annual Scientific Sessions, March 29-31, 2014, Washington, DC
	2013-2018	Member, DeQCAD Expert Advisory Panel
	2014-2015	Member, Annual Scientific Sessions Program Committee, American College of Cardiology Scientific Sessions, March 14-16, 2015, San Diego, CA
Knowledge	2014	Peer Reviewer: AHA/ACC Scientific Statement - Gaps in Older Adults
	2015	Member, ACC.16 Annual Scientific Sessions Program Committee, American College of Cardiology Scientific Sessions, April 2-4, 2016, Chicago, IL.
	2015-2017	Member, Cardiovascular Disease in Women Committee
	2016	Content Reviewer, Confidential 2016 ACC Expert

Nanette K. Wenger, M.D.  
Curriculum Vitae

- Committee on Decision Pathway for Periprocedural Management of Anticoagulation
- 2016 Member, Annual Scientific Sessions Program Committee, March 17-19, 2017, Washington, DC.
- 2016-2017 Guest Editor, Journal of the American College of Cardiology
- 2018 Member, Academic Section Leadership Council
- 2018-19 Peer Reviewer, 2019 ACC/AHA Guideline on the Primary Prevention of Cardiovascular Disease
- 2019-20 Member, ACC.20/WCC Program Committee
- 2019-20 Abstract Reviewer, ACC Scientific Sessions, March 16-18, 2019, New Orleans, LA
- 2019-20 Abstract Reviewer, ACC.20 Program Committee: Acute and Stable Ischemic Heart Disease: Clinical Team 2
- 2019-present Member, Academic Exchange Working Group
- 2020 Abstract Reviewer, American College of Cardiology 69<sup>th</sup> Scientific Sessions, March 28-30, 2020, Chicago, IL.
- 2021 Memter, Program Committeee, American College of Cardiology 70<sup>th</sup> Scientific Sessions, Atlanta, Narch 20-22, 2021.**

American Heart Association

- 1975-76 Liaison to Executive Committee, Council on Clinical Cardiology

2012-2014 Member, Scientific Sessions Planning Committee, World Heart Federation, 4<sup>th</sup> International Conference on Women, Heart Disease, and Stroke, Melbourne, Australia, May, 2014

2012-2014 Member, Planning Committee, World Heart Federation  
World Congress of Cardiology Scientific Sessions,

Nanette K. Wenger, M.D.  
Curriculum Vitae

- 2014-2016 Melbourne, Australia, May 1-8, 2014  
Member, Scientific Sessions Planning Committee,  
World Heart Federation 5<sup>th</sup> International  
Conference on Women, Heart Disease, and Stroke,  
June 4-7, 2016, Mexico City, Mexico
- 2016-2018 Member, Scientific Sessions Planning Committee,  
and abstract reviewer, World Congress of  
Cardiology and Cardiovascular Health, Dubai, UAE,  
December 5-8, 2018  
Topic Group Expert: Heart Disease in Women  
Invited Plenary Lecturer
- 1990 American Association of Cardiovascular and Pulmonary Rehabilitation  
Organizer and Chair, Pre-meeting Workshop, Coronary Disease in  
the Elderly: Age, Disease, and Rehabilitation Interactions,  
Dallas
- National Heart, Lung, and Blood Institute, National Institutes of  
Health, DHEW
- 1980 Chairman, Workshop on Ambulatory ECG Recording
- 1982-83 Chairman, Workshop on Assessing Quality of Life in Clinical  
Trials of Cardiovascular Therapies
- 1983 Co-Chairman, Workshop on Electrical Control of  
Tachyarrhythmias by Implantable Devices
- 1985-86 Chairman, Workshop on Coronary Disease in the Elderly
- 1985-86 Co-Chairman, Workshop on Coronary Heart Disease in Women
- 1991-92 Chair, Planning Committee, NHLBI Conference on  
Cardiovascular Health and Disease in Women
- 1992 Co-chair, Conference on Cardiovascular Health and Disease  
Women: Health Promotion and Disease Prevention, Optimal  
Disease Recognition and Management
- 2010 Chair, Office of Women's Health/National Institutes of  
Health/Emory University School of Medicine Scientific  
Workshop, "Moving into the Future - New Dimensions and  
Strategies for Women's Health Research," February 16-17  
2010, Atlanta, Georgia
- 2010-present Chair, Cardiovascular Committee, NHLBI, NIA The  
Testosterone Trial
- 2013 Member, Advisory Board, "Decisional Quality in Stable  
Coronary Artery Disease," an NHLBI-funded, multicenter  
study
- 1984-94 Consultant, Social Security Administration, DHHS  
Cardiovascular Panel to revise medical evaluation criteria
- 1985-89 Consultant, NHANES III, DHHS

- and
- to focus on CVD prevention in women, July 11-13, 2014.
- 2014 8th HJC Swan Memorial Lecture, Opening Plenary Lecture, International Academy of Cardiology, Annual Scientific Sessions 2014, 19<sup>th</sup> World Congress on Heart Disease, July 25-28, 2014, Boston, MA
- 2015 Inaugural Bernadine Healy Leadership in Women's Cardiovascular Disease Award, American College of Cardiology
- 2016 Inaugural Member, Sex and Gender Women's Health Collaborative (SGWHC) National Sex and Gender Based Medicine Physician Registry
- 2016 J. Willis Hurst Internal Medicine Residency Program Houses: One named Wenger House
- 2016 Richard A. Lewis Lecturer, Ohio Chapter American College of Cardiology, Columbus, OH.
- 2016 Elected Emory University School of Medicine Millipub Club, honoring faculty whose publication garnered more than 1000 citations.
- 2017 Member, Global Director of Who's Who
- 2017 Recognition as an AMA Women's Physician Section (WPS) Inspirational Physician
- 2017 Legend Award, Complex Cardiovascular Catheter Therapeutics (C3), for contributions to heart disease in women, June 2017
- 2017 FH Foundation Pioneer Award, 2017 Familial Hypercholesterolemia Global Summit in recognition of contribution to women's fight against heart disease, September 2017
- 2017 Spirit of the Heart Legacy Award, Association of Black

- 2017      Cardiologists, October 2017  
2017      Selected as Top Cardiologist in Atlanta, GA, International Association of Cardiologists
- 2018      25<sup>th</sup> Simon Dack Keynote Lecture, 67<sup>th</sup> Annual Scientific Sessions, American College of Cardiology, March 10, 2018, Orlando, FL
- 2018      Invited Lecturer, 70<sup>th</sup> Anniversary NHLBI Program, May 3, 2018, Bethesda, MD
- 2019      Outstanding Alumna Award, Emory University Alumni Association
- 2019      Emory University Emeritus College, Living History Project Interviewee
- 2019      WomenHeart 20<sup>th</sup> Anniversary Legacy Award
- 2019      Dr. Nancy C. Flowers and Dr. Leo G. Horan Lecturship in Cardiology, University of Kentucky, September 2019.
- 2019      Tribute to Pioneering Research in Heart Disease for Women. 13<sup>th</sup> Annual Women and Heart Disease Conference, Emory Women's Heart Center.
- 2019      Opening of Dr. Nanette K. Wenger Women's Heart Center in Belgrade, Serbia, and 2<sup>nd</sup> Dr. Nanette Kass Wenger International Conference on Cardiovascular Disease in Women.
- 2019      Monthly Emory Internal Medicine Conference at Grady Memorial Hospital named Wenger Conference.**
- 2020      Association of University Cardiologists - "Featured Lecture" at Annual Scientific Sessions renamed the "Nanette K. Wenger Honorary Lecture."
- 2020      Annual Tresch Memorial Lecturer, The Medical College of Wisconsin, (virtual).
- 2020      Honoree: Brazilian Society of Cardiology, and ACC Brazil Chapter, Women of the Heart (virtual).
- 2020      Honorary Fellowship Award and Lecture, American Society of Preventive Cardiology, Louisville, KY (virtual).
- 2020      Eugene Braunwald Academic Mentorship Award, American Heart Association (virtual).
- 2020      Included in The Hill's Century of the Woman: 100 Women Who Have Helped Shape America.**
- 2021      Annual Nanette K. Wenger Award established for the best manuscript published in any AHA journal on cardiovascular disease and stroke in women.**
- 2021      Selected Georgia Trend's Top Doctors.**

Recognition for contributions to and excellence in medical and cardiology education by professional cardiac societies and/or governmental agencies of: Argentina, Australia, Austria, Bahamas, Belgium, Chile, China, Croatia, Czechoslovakia, Dominican Republic, Ecuador, Egypt, France, Germany, Hungary, India, Indonesia, Israel, Italy, Japan, Malaysia, Mexico, Netherlands, Pakistan, Peru, Philippines, Poland, Puerto Rico, Santa Domingo, Scotland, Singapore, Slovakia, Slovenia, South Korea, Thailand, United Kingdom, Uruguay, USSR, Venezuela, Yugoslavia.

## Research Grant Support

### a. Active Support:

#### 1. Federally Funded:

NIH Vanguard Clinical Center for Clinical Trial and Observational Study of the Women's Health Initiative (Emory University School of Medicine) - 1993-present

1993-2010      Cardiologist and Co-Investigator  
1993-2010      Member, Cardiovascular Outcomes Committee  
2007-present    Member, Cardiology Scientific Interest Group

NHLBI The Testosterone Trial

2010-present      Chair, Cardiovascular Committee  
2010-present      Chair, Cardiovascular Trial

NIH International Study of Comparative Health Effectiveness with Medical and Invasive Approaches (ISCHEMIA)

2016-2020 Co-Principal Investigator, Grady/Emory site

Obesity and Sleep Apnea in Pregnancy - IR01H0142605, Texas Heart Presbyterian Hospital, Dallas - Consultant

2019-present

COORDINATE - Diabetes: COOrdinating CaRDiology CliNics RANdomized Trial of Interventions to Improve OutcomEs

2019-present Co-Principal Investigator Emory University/Grady site

Funding: Duke Clinical Research Institute

## 2. Private Foundation Funded:

DEFINE-HF Study (Dapagliflozin Effects on symptoms and biomarkers in diabetes patients with Heart Failure)

2015-2019      Co-Principal Investigator, Emory University site  
Funding: AstraZeneca, St. Luke's Health System

PRESERVED-HF TRIAL

2016-present    Co-Principal Investigator, Emory University site  
Funding: Saint Luke's Hospital of Kansas City

Smart Step

2017-present - Co-Principal Investigator  
Funding: Synergy Award, Emory University School of Medicine

DELIVER: Dapagliflozin Evaluation to Improve the LIVES of Patients With Preserved Ejection Fraction Heart Failure

2019-present    Co-Principal Investigator, Emory University site  
Funding: AstraZeneca

BMAD Treatment: Benefits of Microcor (reCor) in Ambulatory Decompensated Heart Failure

2020-      Co-Principal Investigator, Emory University/Grady site  
Funding: Zoll

## 3. Contracts:      N/A

**4. Other:** N/A

**b. Previous Support:** (All types)

NIH-Emory University Sudden Death Project: Stadium Coronary Care  
1970-1973 Principal Investigator

Coronary Drug Project (CDP) (NIH)  
1970-76 Natural History Committee  
CoPrincipal Investigator, Emory University School of  
Medicine site

1975-79 Member, Steering Committee, Coronary Drug Project  
1975-86 Member, Editorial Review Committee, Coronary Drug  
Project

PARIS II Study - Persantine Aspirin Trial (Private Foundation)  
Co-Principal Investigator, Emory University School of Medicine site  
1981-85 Member, Data Monitoring Committee  
1983-85 Member, Policy Board

Urokinase Pulmonary Embolism Trial (UPET) (NIH)  
Principal Investigator for the Emory University School of Medicine  
site  
Publications Committee

Urokinase Streptokinase Pulmonary Embolism Trial (USPET) (NIH)  
Principal Investigator for the Emory University School of Medicine  
site  
Publications Committee

National Exercise and Heart Disease Project (NEHDP)  
Co-Principal Investigator for the Emory University School of Medicine  
site  
Writing Group

Heart and Estrogen/Progestin Replacement Study (HERS) and HERS II  
1990-92 Member, Planning Committee  
1992-2002 Principal Investigator, Emory University School  
of Medicine site  
1992-2002 Member, Steering Committee  
1992-2002 Chair, Cardiovascular Endpoints Committee  
1997-99, 2001-2003 Member, Executive Committee

Raloxifene Use for The Heart (RUTH)  
1996-97 Member, Planning Committee  
1997-2006 Co-Principal Investigator, International Study  
1997-2006 Member, Executive Committee  
1998-2006 Principal Investigator, Emory University School  
of Medicine site  
1998-2006 Liaison Member of Executive Committee to the  
Cardiovascular Endpoints Committee

Nanette K. Wenger, M.D.  
Curriculum Vitae

- Treating to New Targets (TNT) Trial - Parke Davis and Pfizer, Inc.  
1998-present Member, Steering Committee  
Member, TNT Publications Subcommittee  
2000-present Co-Chair, TNT Publications Subcommittee
- GUSTO V (Evaluation of the Efficacy and Safety of Reopro in Combination with Reduced Dose Retavase) - Cleveland Clinic Foundation, Eli Lilly and Company  
1999-2001 Principal Investigator, Emory University School of Medicine site
- VALIANT (Valsartan in Acute Myocardial Infarction) - Duke University, Novartis Pharmaceutical Companies  
2000-2004 Principal Investigator, Emory University School of Medicine site
- PROVE-IT (Pravastatin or Atorvastatin Evaluation and Infection Therapy) - Brigham and Women's Hospital, Inc., Bristol Myers-Squibb  
2000-2004 Principal Investigator, Emory University School of Medicine site
- SPORTIF V (Efficacy and Safety of the Oral Direct Thrombin Inhibitor H376/95 compared with Dose-adjusted Coumadin in the Prevention of Stroke and Systemic Embolic Events in Patients with Atrial Fibrillation) - Astra Zeneca  
2000-2004 Principal Investigator, Emory University School of Medicine site
- WATCH (Warfarin and Anti-platelet Therapy in Chronic Heart Failure) - Veterans Administration  
2000-2004 Principal Investigator, Emory University School of Medicine site
- OPTIMIZE-HF (Organized Program To Initiate life-saving treatment In hospitalized patients with Heart Failure  
2003-2005 Principal Investigator, Emory University School of Medicine site
- ADHERE (Acute Decompensated Heart Failure Registry)  
2002-2005 Principal Investigator, Emory University School of Medicine site
- Record AF - Registry on Cardiac Rhythm Disorders: An International, Observational Prospective Survey - Sanofi Aventis  
2008-2009 Principal Investigator, Emory University School of Medicine site
- EZT 587 - Ezetimibe in Elderly Patients - Merck  
2007-2011 Principal Investigator, Emory University School of Medicine site
- NIH Trial to Assess Chelation Therapy (TACT)  
2007-2012 Principal Investigator, Emory University School of Medicine site
- NHLBI Treatment of Preserved Cardiac Function Heart Failure with an Aldosterone Antagonist (TOPCAT)

Nanette K. Wenger, M.D.  
Curriculum Vitae

2007-2012            Emory site Principal Investigator

DISCOVERY: A Study Examining the Prevalence of TTR Mutations in Subjects Suspected of Having Cardiac Amyloidosis  
2014-2016 Co-Principal Investigator, Emory University Site  
Funding: Alnylam Pharmaceuticals

ENDEAVOUR: A Phase 3 Multicenter, Multinational. Randomized, Double-blind, Placebo-Controlled Study to Evaluate the Efficacy and Safety of ALN-TTRSC in Patients with Transthyretin (TTR) Mediated Familial Amyloidotic Cardiomyopathy (FAC)  
2014-2017 Co-Principal Investigator, Emory University Site  
Funding: Alnylam Pharmaceuticals

CDC: Role of Cytochrome P450 2C9 Polymorphisms on Bleeding Complications in the Coumadin Clinic: Implications of Ethnicity  
2004-2017 Co-Principal Investigator

CVT 3041 - An Open-label, Multi-center Study Evaluating the Validity, Reliability, and Responsiveness of a New Women's Ischemia Symptom Questionnaire in Women with Chronic Angina Treated with Ranolazine Extended-release Tablets  
2007-2019            Co-Principal Investigator National Study  
2007-2012            Emory site Co-Principal Investigator

SMARTWOMAN™ - Development and Feasibility Assessment of a Smartphone Application to Promote Patient Self-Management and Enhance Patient/Provider Communication  
2013-2018 Principal Investigator  
Funding: Society for Women's Health Research

DAPA-HF - Study to Evaluate the Effect of Dapagliflozin on the Incidence of Worsening Heart Failure or Cardiovascular Death in Patients with Chronic Heart Failure  
2017-2019 Co-Principal Investigator, Emory University site  
Funding: AstraZeneca

EMPERIAL-Reduced: A Phase III Randomised, Double-blind Trial to Evaluate the Effect of 12 Weeks Treatment of Once Daily EMPagliflozin 10 mg Compared with Placebo on Exercise Ability and Heart Failure Symptoms, In Patients with Chronic Heart Failure with Reduced Ejection Fraction  
2018-2019 Co-Principal Investigator, Emory University site  
Funding: Boehringer Ingelheim

EMPERIAL-Preserved: A Phase III Randomised, Double-blind Trial to Evaluate the Effect of 12 Weeks Treatment of Once Daily EMPagliflozin 10 mg Compared with Placebo on Exercise Ability and Heart Failure Symptoms, In Patients with Chronic Heart Failure with Preserved Ejection Fraction  
2018-2019 Co-Principal Investigator, Emory University site  
Funding: Boehringer Ingelheim
